# Midas Construction Advances Newest St. Louis Airport Hotel

Posted on 07/02/2024

Midas Construction is advancing the new Hampton Inn serving St. Louis Lambert International Airport toward a completion by the end of the year. The 128-room hotel is being developed by Lodging Hospitality Management and is connected to the existing Hilton St. Louis Airport Hotel. Midas celebrated the topping out of the Hampton Inn on June 13, 2024 and expects to complete the project in December 2024.

Located at 10300 Natural Bridge Road, the six-story hotel will be fully accessible and host 128 rooms with queen- and king-size accommodations. It consists of a concrete podium supporting a five-level, wood-frame structure. The building is connected to the Hilton Hotel. Midas and its team have carefully constructed the Hampton Inn to avoid disrupting operations at the Hilton.

Joining Midas on the project are American Electric and Data, electrical; CE Jarrell Contracting, HVAC; Finch Plumbing Co., Inc., plumbing and United Fire Protection, fire protection.

**Midas Construction** is a leading commercial construction company based in St. Louis, MO. The firm specializes in high rise hotels, luxury multifamily, mixed use, and senior housing. Projects under construction for 2023 were nearly \$300 million in the St. Louis metro area thus fulfilling the mission "Building great communities in which we live and work." Notable projects include AC Hotel in the Central West End, The Prairie at Dardenne Prairie, Residence Inn in Clayton, the MILA apartments in Ellisville, and Element St. Louis Midtown.
